2012

Innovate With Color

The AGTA Spectrum Awards™ is considered the most respected and prestigious design competition for the jewelry industry. AGTA Spectrum Awards™ honors, recognizes and promotes designers whose work utilizes natural colored gemstones and cultured pearls in finished fine jewelry design. The Cutting Edge Awards honors creativity in lapidary arts, including faceted gemstones, carvings and objects of art. Both set the benchmark for workmanship, creativity and innovation.

Pearl sculpture by Jewels by Design, Chrysoprase earrings by Gregore Joailliers, Opal ring by K. Brunini Jewels.

Make Waves
